# COVID-19 SAFETY AT RELIGIOUS GATHERINGS

If the religious gathering looks **crowded**, come back **another time**

**Avoid attending** if you are **60+** or have an **underlying illness**

**Wear a mask** that covers your mouth and nose **at all times**

Religious gatherings should be **no longer than two hours**, but shorter is safer

If **religious leaders** come to **pray at your home** - wear a mask, keep your distance and avoid touching

**Don't sing together** at the service, as the coronavirus can **spread through the air**

**Don't share** cups or dishes **or touch each other** during the service

Wear a **mask** and maintain a **1.5 metre distance** when talking to people

**Wash your hands** with soap and water for 20 seconds soon as you can **after the gathering**
